

Here at PMHCA, we understand the toll social isolation can take on our mental health. Connecting online can be a good way to alleviate this issue. PMHCA will be hosting a series of **“Virtual Drop-In”** zoom meetings to help reduce the sense of social isolation we can experience during this difficult time.

- *The **“Adult Virtual Drop-In”** is a topic-driven, social gathering hour that is scheduled twice a week. While we are all house bound during this health crisis, let’s take some time for some good old socialization and conversation. We would love to discuss many different topics such as our “favorite things” and our “go to coping skills” with whoever wants to join us. One topic that is off limits is the COVID-19 virus! We are NOT a clinical or therapeutic group. Meetings will take place using Zoom on Tuesdays and Thursdays from 1 pm to 2 pm. Meetings will be moderated by Kathy Quick, Jason Riligio, and Samantha Harkins.

- *Youth MOVE PA is excited to host a **“Youth Virtual Drop-In”** that is all about getting social interaction, even if we can’t go out and do our normal things like school, sports, going to the game store or hanging with our friends. We know how stressful it can be when our routine is messed up and it is just as frustrating when everyone is talking about Coronavirus, as if there might be impending doom!! We would like to help you feel better about the outside world and the stress it may bring by meeting new people who join this group. We will be talking about ourselves, what we like and discussing a specific topic with each other during each meeting. This gives us some distraction from the anxiety that can arise from being stuck inside all the time. Our meetings will be hosted every Monday and Friday from 1pm to 2pm on Zoom. Meetings will be moderated by Zack Karenchak, Tristan Schnoke and Aaron Zimmerman.

- *The **“CPS Virtual Drop-In”** is designed specifically for Certified Peer Specialists. As Certified Peer Specialists, we are familiar with taking care of others needs over our own, as well as our paychecks depending on billable hours. In this time of uncertainty, we must take care of our personal wellness, so we can continue to be an inspiration to those we serve, whether by phone or through other technology. This is a statewide support group that can be molded to fit the needs of those attending. We are resilient, we’re Peer Specialists, we are living breathing examples of recovery and we will get through this together. Join us Mondays from 11:30am – 12:30pm. This meeting will be moderated by Jason Riligio and Kathy Quick.
